### CHRISTMAS PLAYGROUNDS

days of the year fuller of the means recently, one side of the suffrage of happiness, health and growth. So question was presented fully and elopany. His mother had did it so far on next Tuesday, December 17, the quently by women of marked ability or Ballington Booth. I don't recall appropriate the small sum of \$7,500 a duty to know something about this for playgrounds. You can have a question, if only to make up one's share in this big and helpful commun. Mind from knowledge. Yet most of it rained here last Thursday. It stive and judicious men on this highy significant body.

Growth of any kind is not a matter, that occasion to urge the act. More of chance. It has to be sought with over, you can write to the members of this committee, or better still, televiciberation and care. There are phone to them, asking that they late the mind from knowledge. Yet most of the audience were those already also rained Tuesday. Saturday Wednesday, Monday and Friday. On Sunday it cleared up for Ansel Hodges's cation. They broaden the view, stimulated the mind and insulted the mind and insulted to the mind and insulted to the mind and insulted to the occasion.

hearken to the Committee on Eccreation and the Leville Christmas appeal for this help. It is door. We might imitate other companies a little card, part of whose message munities where fectures are as much runs thus; "Your opportunity for serpart of life as church and school.
